SUMMER PRODUCTION

At this writing we are pleased to announce a very special event for August. Our summer production will be the hilarious musical "A Funny Thing Happened on the Way to the Forum" to be directed by Mr. Louis Criscuolo of New York City. Mr. Criscuolo appeared in Fort Smith in the Broadway Theatre League production "The Man of La Mancha" as Sancho, the comic sidekick of Cervantes. In this, our first experience with professional direction we are pleased to have the advantage of Mr. Criscuolo's broad experience in both community and legitimate theatre. We also feel that working with this production will be a rewarding experience for all to enjoy.
